

# PLAN READING for MUNICIPAL OFFICIALS

Sponsored by the

## MAINE LOCAL ROADS CENTER

A Cooperative Program by the  
Maine Department of Transportation  
and the  
Federal Highway Administration

MAINE LOCAL ROADS CENTER  
Maine Department of Transportation  
Community Services Division  
16 State House Station  
Augusta, Maine 04333-0016  
**RETURN SERVICE REQUESTED**

## WHO SHOULD ATTEND

- \* Selectmen
- \* Public Works Directors
- \* Road Foremen
- \* Road Commissioners
- \* Public Works Personnel
- \* Municipal Contractors

This course is designed for anyone needing to find information in a set of plans. It may be anyone from a foreman and inspector to office personnel who answer questions from the inquiring public.

Please bring a calculator (nothing fancy needed). The Center will provide a limited quantity.

## WHAT WILL BE COVERED

The class will cover the basics of reading construction plans primarily for infrastructure improvement projects including but not limited to: Property lines, subdivision plans (includes plan/profiles for roadway, stormwater drainage, sanitary sewer), site plans and other plans that may be considered appropriate.

Participants will learn to:

- Use a scale
- Read notes
- Understand topography
- Read plan and profile sheets
- Interpret property lines (metes and bounds)
