Attention: Prospective RFQ Proposers

Subject: Howland, Piscataquis Bridge Design-Build Project (MaineDOT PIN 15635.00) – Answer to RFQ Question

The following is an answer to a question received on the RFQ as of the date of this correspondence. Any further questions must be received on or before April 29, 2009, no later than 1:00 PM (EST). Responses to future questions will be posted on or before May 6, 2009.

Q: What is the clear span and desired roadway width? Any sidewalks?

A: The roadway width and sidewalk requirements are included in Section 3.2 Project Design and Construction of the RFQ. There is no minimum or maximum clear span required. The actual spans for the new bridge will be as designed by the successful Design-Builder to whom the contract is awarded.

Please consider this question and answer in preparing your SOQ for this Project. SOQ submission shall be on or before 1:00 PM (EDT) on May 13, 2009.

Sincerely,

A handwritten signature in black ink that reads "Leanne R. Timberlake".
