

# Helping you move

*while we improve*

MaineDOT wants you to know about the Maine Mall Area Roadwork projects, and how you can stay informed.

## A Portion of Maine Mall Road Is Being Reconstructed And I-295 Is Being Improved.

While Maine Mall Road is being reconstructed between Philbrick Ave. and Gorham Road, traffic will be reduced to two lanes. MaineDOT encourages drivers to access the Maine Mall via Philbrook Avenue or Gorham Road to avoid the construction zone. Access to the Wyndham Portland Airport Hotel will be maintained at all times through the construction zone. Also, lanes are being added to each side of I-295 between Exits 3 & 4 to improve safety for exiting and entering traffic. To find out about construction schedules and project details or to sign up for email alerts, visit us online at [www.MaineDOT.gov](http://www.MaineDOT.gov)
