Maine Department of Transportation
Qualified Products List of
Traffic Signal & Lighting Materials

These products have been found to be in compliance with appropriate MaineDOT, MUTCD, and ITE requirements as noted above. These units are prequalified for use on MaineDOT Construction and Maintenance projects with any limitations on their use noted above.

PLEASE NOTE: Products often times may have multiple uses. Products appearing on this particular list are expressly pre-qualified for this category of usage only. Do not use these products for any other application unless this product is noted on other lists.

Sales Representatives seeking approval of a new product should submit their product's Materials Technical Data Sheet, Instructions for Installation, Material Safety Data Sheet, and a completed copy of the [MaineDOT Preliminary Information for Product Evaluation Form \(PDF\)](#).

If you are experiencing difficulties reading or printing this page, or any page on the Qualified Products List website, please contact the Product Evaluation Coordinator at 207-624-3268.
