Re: 2009 Annual Reports, Docket No. 2010-68

To: All Competitive Electricity Providers

It has come to our attention that the Excel Spreadsheet initially placed on the web for use as part of the 2009 Annual Report contained a reference error in Cell E-68 of the Tab labeled Portfolio Requirements. We have corrected that formula in the Excel Spreadsheet now available on our web page. In addition, we received a request as to the detail of information requested on the Tab labeled List of Excluded Sales, as listing all customers may become cumbersome, especially for suppliers with a large number of medium and small customers. We have reconsidered this and are now requesting a list of customers as follows:

Residential	Total Excluded MWh by Class (no customer list required)
Small Non-Residential	Total Excluded MWh by Class (no customer list required)
Medium Non-Residential	Total Excluded MWh by Class (no customer list required with Annual Report, but may be requested by the Commission at a later date if necessary to confirm total MWh amounts)
Large Non-Residential	Customer List for all Excluded Sales

If you have any questions regarding the reporting requirements or need a paper copy of the report forms, please contact Lucretia Smith by phone at (207) 287-1383 or by e-mail at [Lucretia.Smith@maine.gov](mailto:Lucretia.Smith@maine.gov).

Sincerely,

Karen Geraghty
