

NEW REQUIREMENT FOR LICENSEES TO DISPLAY LEGEND: “MAINE LICENSED ARCHITECT” – “MAINE LICENSED LANDSCAPE ARCHITECT” – ‘MAINE CERTIFIED INTERIOR DESIGNER” – Effective June 3, 2009:

Architects - Chapter 12 – Section 7:

1. Advertising and Promotional Materials

An architect shall display the legend “Maine Licensed Architect” in all advertising and promotional materials published by or on behalf of the named architect that relate to architectural services for Maine-located projects. Such materials include but are not limited to telephone directories, newspaper and magazine advertisements, and web sites.

2. Correspondence and Business Cards

An architect shall display the legend “Maine Licensed Architect” on the architect’s business card and beneath the architect’s name on all professional correspondence, proposals and solicitations signed by or on behalf of the named architect for Maine-located projects.

Landscape Architects – Chapter 13 – Section 7:

1. Advertising and Promotional Materials

A landscape architect shall display the legend “Maine Licensed Landscape Architect” in all advertising and promotional materials published by or on behalf of the named landscape architect that relate to landscape architectural services for Maine-located projects. Such materials include but are not limited to telephone directories, newspaper and magazine advertisements, and web sites.

2. A landscape architect shall display the legend “Maine Licensed Landscape Architect” on the landscape architect’s business card and beneath the landscape architect’s name on all professional correspondence, proposals and solicitations signed by or on behalf of the named landscape architect for Maine-located projects.

Certified Interior Designers – Chapter 14 – Section 4:

1. Advertising and Promotional Materials

A certified interior designer shall display the legend “Maine Certified Interior Designer” in all advertising and promotional materials published by or on behalf of the named certified interior designer that relate to interior design services for Maine-located projects. Such materials include but are not limited to telephone directories, newspaper and magazine advertisements, and web sites.

2. Correspondence and Business Cards

A certified interior designer shall display the legend “Maine Certified Interior Designer” on the certified interior designer’s business card and beneath the certified interior designer’s name on all professional correspondence, proposals and solicitations signed by or on behalf of the named certified interior designer for Maine-located projects.
