APPLICATION INSTRUCTIONS ESTABLISHMENT LICENSE

****Fax submissions of applications and supporting documentation will not be accepted.**

Enclosed in this packet of information is all the material you will need to register for reinstatement of an Establishment license with the Maine Barbering & Cosmetology Program. Please refer to the Program Law and Rules for more information when completing your application.

Pursuant to Title 32, Chapter 126, §14235 "A license may be renewed up to 90 days after the date of its expiration upon payment of a late fee as set under section 14238 in addition to the renewal fee. Any person who submits an application for renewal more than 90 days after the license expiration date is subject to all requirements governing new applicants under this chapter, including a late fee, renewal fee and additional late fee as set under section 14238, except that the program, after giving due consideration to the protection of the public, may waive requirements.

Also enclosed is a self-inspection checklist. This checklist will be used to assist us in determining that your shop meets the requirements to become licensed.

The self-inspection checklist program is not intended to circumvent compliance with the Program's Laws and Rules. This process is intended to ensure that shops meet the minimum requirements and open for business more quickly.

PROCEDURES TO APPLY FOR AN ESTABLISHMENT LICENSE

Complete and submit the **Application for Establishment License** with the following information:

- Appropriate Fee
- Directions to the establishment. Make directions as clear as possible noting any identifying signs landmarks or structures that will assist in locating your establishments.
- Floor plan. Please provide a floor plan of the shop. Mark entrances, exits, purpose of each room or area, and location of the required public rest room.
- Complete checklist

The following documentation must be submitted with your original application for licensure. Failure to omit any information requested will result in the return of your application and subsequently delay the opening of your shop.

- Plumbing permit, which includes the local plumbing inspector's signature of approval. Even if no plumbing work was done, we need a statement from a licensed plumber stating the existing plumbing meets the current plumbing code; and
- Electrical permit or written statement from the licensed electrician that the work completed was in compliance with the national electrical code if no permit was required. Even if no electrical work was done, we need a statement from a licensed electrician stating the existing electrical meets the current electrical code; or
- Certificate of Occupancy; and
- Satisfactory water test for private water sources only.

Upon receipt of the completed application, your license will be issued. You may open for business only once your application for an establishment license is approved. Your license will arrive in approximately two weeks. Your establishment license, as well as your license to practice must be conspicuously displayed.

The State inspector will formally inspect your establishment within 90 days from your license issue date.

If there is a change in location and/or ownership of the establishment, you must reapply for a new establishment license. The establishment license issued is only valid for the current location and current shop owner. Any change in location or ownership of establishment requires a new application to be filed with the Program.

INITIAL EACH PAGE OF YOUR APPLICATION WHERE NOTED. Be sure to initial the bottom of each page where noted on your application. All pages requiring initials must be returned to our office as part of your complete application.

The Barbering & Cosmetology Program requires that all supporting documents and fees be submitted with the filing of your application. **Your application will be considered incomplete and will be returned if supporting documents and/or fees are omitted.** Documents that have been modified or altered (including the use of any white out substance) in any way will not be accepted.

PROCESSING TIME:

- ✓ Please do not call our office regarding the status of your application as numerous calls will delay the timeliness of processing applications. Information regarding the status of applications may be found at the Office of Professional and Occupational Regulation's website www.maine.gov/professionallicensing. We appreciate your thoughtful attention to this request.
- ✓ Once your license is issued it is immediately visible online with an "active" status. Licenses are printed off site and require at least 14 days for delivery.

SECTION 5: SELF INSPECTION CHECKLIST FOR NEW ESTABLISHMENTS

Your establishment must comply with all items marked on this list as well as any other rules pertaining to establishments licensed by the program. It is recommended that you read chapter 3 of the program rules to ensure that your establishment meets all requirements.

By checking each box on this form, you are verifying that your establishment has met each requirement.

GENERAL RULES

- Valid licenses, registrations and permits are conspicuously displayed for public view and inspection in the establishment.
- The name of the licensee, license number and expiration date is visible at all times.
- There is a separate entrance directly into the shop from a public access area. Accessing the shop from any living area of a residence is prohibited.
- The entrance to the shop is clearly marked.
- The shop is adequately ventilated at all times.
- No other business is conducted in the shop unless separated by a full-length partition. (This includes massage therapy, electrology, tanning, or any other related business not licensed by this program.)

EQUIPMENT

- One cabinet for storing clean towels
 - Adequate supply of clean towels.
 - Dry sanitizing agent in cabinet.
 - Cabinet must close completely.
- One cabinet or adequate shelving for storing supplies .
- Container for soiled towels.
- Covered waste receptacle.
- One wet sanitizer unit of adequate size with appropriate sanitizing agent.
 - Wet sanitizers shall contain suitable chemical germicide solution, which shall be bacteriological effective. The solution must be changed regularly. (Establishments using all disposable tools, implements, applicators, etc are not required to provide wet sanitizers.)
- Sufficient tools and implements necessary for services being rendered.
- Adequate and appropriate chairs for services being provided.
- Utility sink (in addition to the restroom sink) or shampoo bowl with hot and cold running water under pressure connected to sewerage disposal. All shampoo bowls must be equipped with an approved back flow prevention device.

SECTION 5 (CONTINUED): SELF INSPECTION CHECKLIST FOR NEW ESTABLISHMENTS

RESTROOM FACILITIES

- The restroom must be in or directly adjacent to the establishment. If the establishment is in a commercial building and there is a public restroom for all business in that building, that will be acceptable. However, this restroom must be kept clean and have all requirements for restrooms as described below. If the establishment is in a residence or home, you can not enter any part of your living quarters to access the restroom. The restroom must be directly connected to the establishment.
- All restrooms must provide a flush-operated toilet and sink with hot and cold running water.
- Restrooms not used for storage.
- Restroom is adequately ventilated. If there are no windows capable of being opened, adequate mechanical ventilation must be provided.
- A suitable holder for sanitary paper towels or workable hot air blower. The use of cloth towels is prohibited.
- Adequate supply of hand soap and soap dispenser. The use of bar soap is prohibited.
- A covered waste container.
- A conspicuously displayed sign is posted. "Notice to all employees - please wash hands after using the restroom"

WATER, PLUMBING AND ELECTRICAL REQUIREMENTS

- The establishment must provide an adequate supply of hot and cold water as may be necessary to conduct business.
- An approved testing agent must test private water supplies for bacteria and coliform within 6 months of application for licensure.
- All plumbing must be in compliance with the Maine Plumbing Code administered by the Plumbers Examiner Board. Documentation certifying compliance by the city or town plumbing inspector is in my possession. A copy is attached to my application.
NOTE: All cities and towns have a local plumbing inspector. Your licensed plumber should take out a plumbing permit before doing your plumbing. The city or town will issue a plumbing permit for your location. Upon completion of the work, the local inspector must come to your location and approve the work that was done. Once done correctly, they will sign the permit again verifying that the plumbing was installed correctly. This fully executed permit must be submitted with your application for establishment.
- All electrical installations must be in compliance with the current edition of the National Electrical Code. Documentation certifying compliance by city or state electrical inspectors is required. A copy is attached to my application.
