**Informational Letter Regarding Continuing Professional Education Requirements  
For Licensed Dietitians and Dietetic Technicians**

Dear Licensees:

At a recent meeting, the board discussed its continuing education requirements as outlined in Chapter 2, Section 3 of the board's rules. Specifically, the board discussed whether or not licensees could use **webinars** and **live teleconference activities** as meeting the requirements.

After a thorough discussion, the board concluded that webinars and live teleconference activities do meet the continuing education requirements so long as the activities satisfy the content criteria for Category 1 and Category 2 as outlined in Chapter 2, Section 3(B)(2)(a)(b) of the board's rules. In addition, programs approved for continuing education credit by the Commission on Dietetic Registration would also be eligible for continuing education credit.
