Farmland Preservation Forum

Hosted by:
Scarborough, Buxton and Saco Valley
Land Trusts

In cooperation with the **USDA Natural Resources Conservation Service**

The purpose of the forum is to present tools for local landowners, land trusts, and town officials for dealing with the economic viability and protection of agricultural land in a community.

Outcomes

- Discuss current issues facing farmland economic development and protection efforts.
- Give local landowners and officials information about specific farmland protection programs.
- Decide on next steps and specific strategies needed to help communities protect farmland.

The format will consist of a panel discussion with representatives presenting information on economic development and farmland preservation tools. A question and answer period will follow.

Please join us on **May 3, 2004** for this important forum on the future of agriculture in your community.
