PREPARE THE PROPERTY TAX MAP(S)

1. Attach the property tax map(s) for the town(s) in which farmland to be registered is located.
2. On the map(s) notate the following: map and lot number of each parcel you own and each parcel of abutting land, and include the owner's name
3. Label field ID and acres of the farmland to be registered on page 2 of Form 2A or 2B if renewing registration.
4. Draw an arrow pointing away from the property boundary line(s) of your parcel to indicate the 50' or 100' setback for inconsistent use on abutting parcel.
5. Please refer to page 4 of Form 1 for instructions on completing the registration process using this form.
