What Happened?

On September 21, 2023, Visionary Integration Professionals (VIP) received a notification regarding access to select VIP servers by an unauthorized third party. As a result of this investigation, recently, VIP learned that personal information may have been accessed.

What Information Was Involved?

Based on this investigation, VIP believes the purpose of the unauthorized access was to obtain a payment for potentially copying data from one location to another. No contact was initiated with the bad actors and the systems were all restored. VIP is not aware of any actual misuse of personal information related to this incident. VIP has identified the following information relating to you that may have been accessed by the attacker: Social Security Number, Date of Birth and Driver's License or State Identification Number.
