Dear ,

As part of the Benson Health patient community, we recognize the trust you place in us and our responsibility to uphold that trust. We are writing to let you know of a security incident that has been addressed. **At this time, Benson Health does not have any evidence to indicate that any of your personal information has been or will be misused as a result of this incident. Nevertheless, Benson Health decided to notify you of this incident out of an abundance of caution.**

We take the security of your personal information seriously and want to provide you with information and resources you can use to protect your information.

What Happened and What Information was Involved:

On May 5, 2021, Benson Health detected that it was the target of a cybersecurity attack. An unauthorized third party attempted to gain access to Benson Health's computer network. We immediately launched an investigation and engaged a law firm specializing in cybersecurity and data privacy, and third-party forensic specialists to assist. That investigation identified a data set that may have been accessed by the unauthorized person. Benson Health then retained data mining experts to perform an extensive and comprehensive review of the data set and identify individuals whose personal information was in that data set. This investigation concluded on June 7, 2022 and determined that information - including your name, date of birth, social security number, and health/treatment information - may have been accessed by an unknown party that is not authorized to handle or view such information.

## Additional Information

**Credit Reports:** You may obtain a copy of your credit report, free of charge, whether or not you suspect any unauthorized activity on your account. You may obtain a free copy of your credit report from each of the three nationwide credit reporting agencies. To order your free credit report, please visit [www.annualcreditreport.com](http://www.annualcreditreport.com), or call toll-free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available at <https://www.consumer.ftc.gov/articles/0155-free-credit-reports>) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281.

**Security Freeze:** You also have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency. You may make that request by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse or a minor under the age of 16, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. As of September 21, 2018, it is free to place, lift, or remove a security freeze. You may also place a security freeze for children under the age of 16. You may obtain a free security freeze by contacting any one or more of the following national consumer reporting agencies:

<b>Equifax Security Freeze</b> P.O. Box 105788 Atlanta, GA 30348 1-800-349-9960 <a href="https://www.equifax.com/personal/credit-report-services/credit-freeze/">https://www.equifax.com/personal/credit-report-services/credit-freeze/</a>	<b>Experian Security Freeze</b> P.O. Box 9554 Allen, TX 75013 1-888-397-3742 <a href="http://www.experian.com/freeze/center.html">www.experian.com/freeze/center.html</a>	<b>TransUnion Security Freeze</b> P.O. Box 160 Woodlyn, PA 19094 1-800-909-8872 <a href="http://www.transunion.com/credit-freeze">www.transunion.com/credit-freeze</a>

**Fraud Alerts:** You can place fraud alerts with the three credit bureaus by phone and online with:

- Equifax ([https://assets.equifax.com/assets/personal/Fraud\\_Alert\\_Request\\_Form.pdf](https://assets.equifax.com/assets/personal/Fraud_Alert_Request_Form.pdf));
- TransUnion (<https://www.transunion.com/fraud-alerts>); or
- Experian (<https://www.experian.com/fraud/center.html>).

A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. As of September 21, 2018, initial fraud alerts last for one year. Victims of identity theft can also get an extended fraud alert for seven years. The phone numbers for all three credit bureaus are at the bottom of this page.

**Monitoring:** You should always remain vigilant and monitor your accounts for suspicious or unusual activity.

**File Police Report:** You have the right to file or obtain a police report if you experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide proof that you have been a victim. A police report is often required to dispute fraudulent items. You can generally report suspected incidents of identity theft to local law enforcement or to the Attorney General.

**FTC and Attorneys General:** You can further educate yourself regarding identity theft, fraud alerts, security freezes, and the steps you can take to protect yourself, by contacting the consumer reporting agencies, the Federal Trade Commission, or your state Attorney General.

You can obtain further information on how to file such a complaint by way of the contact information listed above. You have the right to file a police report if you ever experience identity theft or fraud.
