RE: Supplemental Notice of Data Event

Dear Sir or Madam:

Please allow the following to serve as a Supplement to the Notice of Data Event that I previously submitted electronically on November 28, 2022 on behalf of First National Bank of Pennsylvania (“FNB”). In the original notice, I advised that FNB began providing written notice of this incident to potentially affected individual customers, including approximately fifteen (15) Maine residents, on or around November 25, 2022. Due to the Thanksgiving holiday and unforeseen issues with the de-duplication of addresses, written notices of this incident has not yet been mailed to those potentially affected individual customers. We will submit a Second Supplemental Notice of Data Event once the written notices have been mailed. Written notice is being provided in substantially the same form as the letter attached as Exhibit A in my original notice. We expect the written notices to be mailed this month.

Should you have any questions regarding this notification or other aspects of the data security event, please contact me at (412) 995-3004.

Very truly yours,

/s/ Lyle Washowich
