**IMPORTANT INFORMATION
PLEASE REVIEW CAREFULLY**

Dear [REDACTED]

The privacy and security of the personal information we maintain is of the utmost importance to The Winsor School. We are writing with important information regarding a data security incident at Blackbaud, a third party service provider, which may have involved some of the information that you provided to The Winsor School. Blackbaud is a software and service provider that is widely used for fundraising and alumni or donor engagement efforts at non-profits and universities world-wide. The Winsor School uses one or more Blackbaud applications, and Blackbaud experienced an incident impacting that application. We want to provide you with information about the incident and let you know that we continue to take significant measures to protect your information.

What Happened?

On July 16, 2020, Blackbaud notified The Winsor School of a security incident that impacted its clients across the world. Blackbaud reported to us that they identified an attempted ransomware attack in progress on May 20, 2020. Blackbaud informed us that they stopped the ransomware attack and engaged forensic experts to assist in their internal investigation. That investigation concluded that the threat actor intermittently removed data from Blackbaud's systems between February 7, 2020 and May 20, 2020. According to Blackbaud, they paid the threat actor to ensure that the data was permanently destroyed.

On or about September 27, 2020, Blackbaud provided updated information to The Winsor School. The update expanded the scope of the incident for The Winsor School. Blackbaud identified instances where sensitive personal information which Blackbaud assured The Winsor School had been encrypted, was in fact not encrypted in Blackbaud's databases.

What We Are Doing.

Upon learning of the issue, we commenced an immediate and thorough investigation. That investigation is still ongoing. As part of our investigation, in addition to requesting detailed information from Blackbaud about the nature and scope of the incident, we engaged cybersecurity professionals experienced in handling these types of incidents.

What Information Was Involved.

On December 21, 2020, following an extensive review and analysis of the data at issue, we determined that the information removed by the threat actor may have contained some of your personal information, specifically your full name and Social Security number.

What You Can Do.

According to Blackbaud, there is no evidence to believe that any data will be misused, disseminated, or otherwise made publicly available. Blackbaud indicates that it has hired a third-party team of experts, including a team of forensics accountants, to continue monitoring for any such activity. Nevertheless, out of an abundance of caution, we want to make you aware of the incident.

We are providing you with access to Single Bureau Credit Monitoring services at no charge. Services are for 24 months from the date of enrollment. When changes occur to your Experian credit file, notification is sent to you the same day the change or update takes place with the bureau. In addition, we are providing you with proactive fraud assistance to help with any questions you might have. In the event you become a victim of fraud you will also have access remediation support from a CyberScout Fraud Investigator. In order for you to receive the monitoring service described above, you must enroll by March 16, 2021. The enrollment instructions are included in this letter. For more information on identity theft prevention and these services, including instructions on how to activate your complimentary two-year membership, please see the additional information provided in this letter.

This letter also provides other precautionary measures that you can take to protect your personal information, including placing a fraud alert and/or security freeze on your credit files, and/or obtaining a free credit report. Additionally, you should always remain vigilant in reviewing your financial account statements and credit reports for fraudulent or irregular activity on a regular basis and report any suspicious activity to the proper authorities.

For More Information.

We remain fully committed to maintaining the privacy of personal information in our possession and have taken many precautions to safeguard it. Blackbaud has assured us that they closed the vulnerability that allowed the incident and that they are enhancing their security controls and conducting ongoing efforts against incidents like this in the future. We continually evaluate and modify our practices, and those of our third party service providers, to enhance the security and privacy of your personal information.

For questions regarding this incident, call [REDACTED] between the hours of 9:00 AM and 9:00 PM Eastern Time, Monday through Friday, except holidays.

Sincerely,

The Winsor School

2. Placing a Fraud Alert on Your Credit File.

Whether or not you choose to use the complimentary 24 month credit monitoring services, we recommend that you place an initial one (1) year “fraud alert” on your credit files, at no charge. A fraud alert tells creditors to contact you personally before they open any new accounts. To place a fraud alert, call any one of the three major credit bureaus at the numbers listed below. As soon as one credit bureau confirms your fraud alert, they will notify the others.

Equifax

P.O. Box 105069
Atlanta, GA 30348
www.equifax.com
1-800-525-6285

Experian

P.O. Box 2002
Allen, TX 75013
www.experian.com
1-888-397-3742

TransUnion LLC

P.O. Box 2000
Chester, PA 19016
www.transunion.com
1-800-680-7289

3. Placing a Security Freeze on Your Credit File.

If you are very concerned about becoming a victim of fraud or identity theft, you may request a “security freeze” be placed on your credit file, at no charge. A security freeze prohibits, with certain specific exceptions, the consumer reporting agencies from releasing your credit report or any information from it without your express authorization. You may place a security freeze on your credit report by contacting all three nationwide credit reporting companies at the numbers below and following the stated directions or by sending a request in writing, by mail, to all three credit reporting companies:

Equifax Security Freeze

PO Box 105788
Atlanta, GA 30348
<https://www.freeze.equifax.com>
1-800-349-9960

Experian Security Freeze

PO Box 9554
Allen, TX 75013
<http://experian.com/freeze>
1-888-397-3742

TransUnion Security Freeze

P.O. Box 2000
Chester, PA 19016
<http://www.transunion.com/securityfreeze>
1-888-909-8872

In order to place the security freeze, you'll need to supply your name, address, date of birth, Social Security number and other personal information. After receiving your freeze request, each credit reporting company will send you a confirmation letter containing a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

If you do place a security freeze *prior* to enrolling in the credit monitoring service as described above, you will need to remove the freeze in order to sign up for the credit monitoring service. After you sign up for the credit monitoring service, you may refreeze your credit file.

4. Obtaining a Free Credit Report.

Under federal law, you are entitled to one free credit report every 24 months from each of the above three major nationwide credit reporting companies. Call **1-877-322-8228** or request your free credit reports online at **www.annualcreditreport.com**. Once you receive your credit reports, review them for discrepancies. Identify any accounts you did not open or inquiries from creditors that you did not authorize. Verify all information is correct. If you have questions or notice incorrect information, contact the credit reporting company.

5. Additional Helpful Resources.

Even if you do not find any suspicious activity on your initial credit reports, the Federal Trade Commission (FTC) recommends that you check your credit reports periodically. Checking your credit report periodically can help you spot problems and address them quickly.

If you find suspicious activity on your credit reports or have reason to believe your information is being misused, call your local law enforcement agency and file a police report. Be sure to obtain a copy of the police report, as many creditors will want the information it contains to absolve you of the fraudulent debts. You may also file a complaint with the FTC by contacting them on the web at www.ftc.gov/idtheft, by phone at 1-877-IDTHEFT (1-877-438-4338), or by mail at Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580. Your complaint will be added to the FTC's Identity Theft Data Clearinghouse, where it will be accessible to law enforcement for their investigations. In addition, you may obtain information from the FTC about fraud alerts and security freezes.

For residents of Maryland, Rhode Island, New York, and North Carolina:

You can obtain information from the Offices of the Attorney General and the Federal Trade Commission about fraud alerts, security freezes, and steps you can take toward preventing identity theft.

Maryland Office of the Attorney General Consumer Protection Division 200, St. Paul Place Baltimore, MD 21202 1-888-743-0023 www.oag.state.md.us

Rhode Island Office of the Attorney General Consumer Protection 150 South Main Street, Providence RI 02903 1-401-274-4400 www.riag.ri.gov

North Carolina Office of the Attorney General Consumer Protection Division, 9001 Mail Service Center Raleigh, NC 27699-9001 1-877-566-7226 www.ncdoj.com

Federal Trade Commission Consumer Response Center, 600 Pennsylvania Ave, NW Washington, DC 20580 1-877-IDTHEFT (438-4338) www.ftc.gov/idtheft

New York Office of Attorney General Consumer Frauds & Protection, The Capitol Albany, NY 12224 1-800-771-7755 <https://ag.ny.gov/consumer-frauds/identity-theft>

For residents of Massachusetts: It is required by state law that you are informed of your right to obtain a police report if you are a victim of identity theft
