Renew License(s)—Individual

Welcome

Welcome to the Maine Board of Pesticides Control web portal. We hope this new service helps improve our customer service.

This module describes how an individual can renew his/her own licenses. If you are renewing company licenses or licenses for other individuals, please view the training module: Renew Licenses—Company.

Please note that in our system, every license is associated with a company. Even if you are the only person in your organization with a pesticide applicator's license, your license is associated with your company. **For this purpose, a company is any organization, including farms, towns, golf courses, etc., even if they only have one employee.**

In order to do anything on behalf of employees (apply for exams, apply for licenses, renew licenses) or to apply for company licenses, you must be assigned as an Administrator of the company. Administrators do not have to be licensed applicators; they can be anyone at the company with authority to act on behalf of employees. If you are the responsible person for your company, please contact us at pesticides@maine.gov or 207-287-2731 and tell us.

Please note that the screens you see may have changed from what is pictured here, as we are still developing and making improvements, but the functionality remains the same. Contact us at anytime if you have questions.

License Numbers have changed from your old number—do not be concerned.

Credits Earned:
Certification period is the same as license period. Credits earned is calculated based on the start date and the expiration date of the license. Contact BPC if you think you have earned more credits than are not displaying, but keep in mind that it may take time for credits to be posted.

Renewal:
Licenses are renewable 2 months before they expire and if there are enough credits.

Subject: Maine BPC License Information

October 19, 2017

Dear Hermione Granger,

Your Private Applicator License has been approved. A pdf of your license is attached. Note that we will not be sending you a paper copy of your license; open the attachment in order to print a copy. If you are unable to print the PDF license, please contact our office at the information below.

Reminder: All applicator and restricted-use pesticide dealer licenses are now on a 3-year license and recertification cycle. Operators need to earn 6 credits and Masters and Restricted-Use Dealers need to earn 9 credits by the license expiration date in order to renew. There is no change for Agricultural Basic or Private Applicators.

Company/Agency Name: Hogwarts-Griffindor
License Name: Private Applicator
Expiration Date: Oct 31, 2020

If you have questions, please contact the BPC office at 207-287-2731 or email pesticides@maine.gov.

Thank you,
