- Are permitted to utilize this MA as written.
- Are permitted to utilize this MA with the following conditions: With mutual consent of the Provider

**IV. ORDERING PROCEDURES:**

**Mini-Bid Process and Awards**

Once an agency has a need for a facility or conference services, the Agency will notify all pre-qualified vendors who meet the required geographical area and event size when specific services are needed by initiating the mini-bid process. Providers will be given a description of the particular services needed and asked to respond within a specific timeframe. Bids submitted on behalf of the mini bid process will be evaluated on the basis of the Providers' proposed cost or both proposed cost and detailed offering.

The Agency, as applicable, will then select one Provider based on the bids submitted and criteria being evaluated during the "mini-bid" process. Please note, the costs proposed under this RFP process will form the foundation of each Provider's future "mini-bid" responses – that is, a Provider may not propose rates in the "mini-bid" that are above what is proposed in response to this RFP process (but a Provider may propose a rate lower, if it so chooses).

An Agency would create a Delivery Order (DO) against the MA to secure the facility with the awarded bidder concluding the mini-bid process. Delivery Order will be emailed to the Provider's email address on file

Public school systems and/or municipalities will handle their own orders and will be responsible for all payments.

**STATE OF MAINE | SERVICE CONTRACT**

MAs are to be used as a tool for Agencies, however each Agency reserves the right to select Providers from the PQVL without using this mini-bid process for emergencies, for projects less than \$5,000 and if only one Provider is able to meet the geographical and event size requirements. At the discretion of the State, large projects and/or projects with unique needs not covered within this RFP may be released and awarded through project specific RFPs. Providers for those projects will not be selected from the PQVL, rather through a separate RFP or other procurement process based on their specific needs/timelines.

Maine Armory Rental Program – When seeking facilities, Agencies are required to include the Maine State Armories, if applicable, when considering possible event locations.
