The Vendor may review and appeal items on the list, however the Vendor must provide (i) written justification and supporting evidence; and (ii) alternative product (to the extent available) to replace the item on the Core list. MMCAP Infuse will then review and consider the appeal. If the delay is due to the carrier, the Vendor will seek remedies from the carrier, not the Member.
- 3.7 **Drop Shipment.** The Vendor will act as a conduit to expedite and simplify the ordering and payment of drop shipped Products directly from a manufacturer. All fees associated with drop shipments are listed in **Attachment C**. Prohibited Products (Paragraph 1.5) cannot be drop shipped under this Agreement without MMCAP Infuse's prior written approval.
- 3.8 **Bulk Orders/Price Inquiries.** A "Bulk Order" is an order that will exceeds \$100,000.00 in dollar value. If all or a portion of the disputed invoice is found to be in error, Vendor shall issue a credit and/or adjust the original invoice to the Member appropriately and provide a corrected invoice. Where the above is prohibited by a Member state's applicable law(s), the Vendor shall comply with requirements of that state's law(s) related to disputed invoices. Vendor will make a good faith effort to resolve known disputes related to Agreement pricing within thirty (30) days of notice of the dispute. This clause will in no way be deemed a limitation on the parties, as it relates to the future auditing and/or correction of invoices. When a Member or MMCAP Infuse discovers an error in pricing, they will notify Vendor. Vendor will research all Members affected by the error and will process credit/rebills to ALL Members for the time period of the error until it is resolved.
- 3.16 **Shareback Credits.** Vendor will manage, at no additional cost to MMCAP Infuse or Members, the MMCAP Infuse disbursement of shareback credits, according to the process below:

Pricing and Contracted Items that are outside the scope of this Agreement must go through MMCAP Infuse's review and approval process to determine if it's appropriate to add to **Attachment C** for the entire Membership. The final agreed upon costs and Services will be reported to MMCAP Infuse at mmcap_infuse.hpscontracts@state.mn.us. If the Vendor (or its Subcontractors) need to perform work outside the agreed upon parameters in the Purchase Order, the Vendor must obtain prior written approval from the Member. A recall effectiveness check will be conducted under the direction of the FDA, when applicable. All applicable regulatory issues as specified by the FDA will be completed. In the case of a FDA mandatory or voluntary recall, a request to close the order will be submitted to the FDA, and the FDA will either grant or deny the request.
- 6.0 Vendor Corrections and Removals (Distributed Products/Sub-recalls):**
- 6.1 All vendor corrections and removals will be forwarded to the QA Recall Coordinator.
 - 6.2 The vendor will identify the date Medline received product affected by the recall.
