2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

The determination was made based on the uniqueness of the Commission's authorized schools and Mr. Drago's diverse background with both charter schools and non-profit organizations. The Commission employs its staff/contractors to carry out duties of authorizing and oversight of statewide charter schools.

- 3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.
- Mr. Drago has worked closely with the Maine Charter School Commission (members and staff) as well as the public charter schools that the Commission oversees for several years now. Nationally, the number one reason for charter school closure is finances and with his unique financial experience with both non-profit organizations and charter schools he is an invaluable asset to the Commission.
