

CONTRACTOR PRE-BID QUALIFICATION QUESTIONNAIRE

State of Maine

Department of Administrative and Financial Services

Bureau of General Services

Division of Planning, Design, & Construction

Preliminary Criteria

The following preliminary criteria questions have been provided to assist in determining eligibility for pre-qualification. If the answer to any of the preliminary criteria is no, please carefully consider whether or not to proceed with your submission. The Bureau of General Services will consider all applications it receives, but sub-contractors that do not meet these criteria may not be pre-qualified. If the answer to all of the preliminary criteria is yes, please continue with this application to seek potential pre-qualification for this proposed project.

- A. Has this sub-contractor within the past 10 years successfully completed a project that was at least 50% of the size of this project, as measured in gross square footage of the completed facility?
- B. Has this sub-contractor within the past 10 years successfully completed at least one project that was at least 50% of the size of this project, as measured by the construction cost of the contractor's completed project?
- C. Does this sub-contractor have a current bonding capacity that is not less than the estimated value of this proposed project, or will this contractor have such capacity at the time of the bid opening?
- D. Can this sub-contractor demonstrate projects successfully completed within the past 10 years that are similar in occupancy type to this proposed project?
