

**MAINE DEPARTMENT OF MARINE RESOURCES  
BUREAU OF MARINE SCIENCES  
BGS 3550 BURNT ISLAND PIER IMPROVEMENTS  
REQUESTING BIDS**

The Maine Department of Marine Resources, Bureau of Marine Sciences (BGS) is requesting construction bids for the Burnt Island Pier Improvements project. The work will include but is not limited to demolition of the existing pier, removal of the demolished materials, and construction of a new pier, gangway and float assembly on Burnt Island. Bid packets can be obtained from Gartley & Dorsky Engineering & Surveying, 59 Union Street, Unit 1, Camden, Maine 04843, (207) 236-4365 or by email from Alyssa Pulver at [apulver@gartleydorsky.com](mailto:apulver@gartleydorsky.com). Electronic copies of the bid packet are also available on the BGS website. Bids will be due August 29, 2024, at 2:00 p.m.
