Bidding Items

1. Bid opening is moved to **Friday, September 13th at 2 pm.**
2. All other bidding provisions remain in effect.

Clarification Items

1. From Addendum #1 for this project a question was asked regarding Builder's Risk for which the answer should have been clearer. The question was regarding Builder's Risk and the "value on which we are to include for the building." Specification Section 00 72 13, General Conditions, Article 9, Insurance Requirements, states " Unless specifically authorized in writing by the Owner, **the limit of insurance shall not be less than the initial contract amount, for the portion of the project which is new construction**, and coverage shall apply during the entire contract period and until the work is accepted by the Owner." Although all aspects of the Article 9 are relevant, the underlined passage indicates what the minimum amount of insurance coverage is required for Builder's Risk for this project.
