Thanks so much Dawn. I'll keep you and Mark updated from this end.

Best,

Lynne,

Yachting Solutions has not filed an application with DEP yet. I understand its consultants are working on one and have requested a pre-application meeting with DEP staff. As of writing this, that meeting has not yet been set. I anticipate it will occur within the next week or two.

Dear Mark and Dawn,

I'm just checking in with you regarding any permit application you may have received from either Yachting Solutions or Rockland Harbor Park, LLC or any other entity regarding the marina expansion plans for which Yachting Solutions received a Boating Infrastructure Grant (BIG) in the summer of 2017. Yachting Solutions is coming back to the Rockland City Council on Monday, 04 February with a revised plan for inclusion on the Agenda for a Regular City Council meeting (the following week on 11 February). Our group of concerned citizens (**SHIP**) were only notified of this at 7:00 pm Friday night. We need to know before the 5:30pm start time on Monday if Yachting Solutions or RHP, LLC have made any applications for permitting with their recently revised plan.

Thanks so much for your attention.

Lynne Barnard, SHIP
