Thank you Jami,

There is some good news to report since sending you my letter: Last week the marina owner worked with the City of Rockland to remove overgrown bushes and restore the public's view of the water!

As long as they don't erect a large structure on the land side of the marina we have a good outcome.

Jim

Dear Mr. Rigassio,

Thank you for the letter you mailed to the DEP, dated January 18, 2021, containing comments on a proposed marina expansion at 12 Water Street in Rockland. The Department does not currently have an application for this project, although we did hold a pre-application meeting with Yachting Solutions in early 2019. I will add you to the list of interested persons and if we receive an application, your comments will be considered during the review.

Sincerely,

-Jami MacNeil (she/her)
