Attachments: NRPA Application-Full email version.pdf

Good Afternoon,

This is to notify you that the Department of Environmental Protection has received an application (#L-20386-4P-P-N) from SHM Rockland, LLC for a Natural Resources Protection Act (NRPA) permit for a proposed marina expansion including dredging, floats, piles, and a pier extension. The Department received the application on July 6, 2021, and is currently reviewing the application for completeness. The determination of completeness will be made no later than July 27, 2021. Once the application is accepted, the Department's maximum processing time is 120 days. Written comments will be accepted until a decision is issued.

You are receiving this notification because you previously expressed concerns regarding this project. A copy of the application is attached. Any public comments relevant to the Department's review may be submitted in writing directly to me. I will be the project manager for the review.

Sincerely,

-Jami MacNeil (she/her)
