The Rockland Harbor has been used by local families since its inception. Family activities, group uses, and a great place to take a break or eat a lunch and watch the boats. Walking dogs, exercising, ect. has always been allowed at the Harbor.

Local family boats have filled this harbor--- Please do not make our Harbor into a "rich man's" convenient storage for a mega yacht. It would block the view of the breakwater and sailboats that currently use the harbor to its fullest comfortable potential. We do not want the equivalent of downtown Boston in our local Harbor.
