I am an Owls Head resident and a boater whose boat is moored over by the Sail Steam and Power Museum. I oppose the new owners' proposed plans for "development" of the Rockland marina.

They are a big corporation in the leisure / vacation industry and if their proposals were adopted, Rockland-area people would have reduced visibility of and access to our beautiful harbor, which would turn into a parking lot for wealthy mega-yachters.

We don't want our harbor to be an anonymous, vanilla playground for Big Money and corporations. I strongly urge these plans to be rejected.

Thank you, and I'll keep watching the developments on this issue.
