Members of the Rockland city lobstering community are circulating a petition concerning the SHM proposal. They plan to submit it to you as a collective comment. Question: is a pdf file of the petition adequate as in other comments? Or do you require the original be gotten to you?

Note that the petition is not a state regulatory style petition. It will be like past ones by fishermen about Rockland harbor development controversies and consist of a paragraph of their concerns, followed by their written and printed names and their lobster licence #s.
