Ms. Mahoney,

Thank you for notifying us that your concerns have been addressed and that your previous comments are now withdrawn regarding the expansion of an existing marina in Rockland Harbor as proposed by SHM Rockland, LLC. The Department is currently reviewing the application (#L-20386-4P-P-N) under Maine's Natural Resources Protection Act (NRPA). The Department accepted the application as complete for processing on July 26, 2021. The deadline for public comments on the application closed on November 4, 2021. The Department anticipates issuing a decision on the project within the next few weeks.

The record is now closed for public comment so we can complete our review, but if you have any questions, feel free to contact me.

Sincerely,
Jami

Jami.. I wrote a note/letter of my concerns with the Rockland Harbor revision before doing my homework. In hindsight I see the three years of work that went into addressing the issues that worried me are already resolved..

therefore, would you mind removing my letter from the responses....

Thank you very much.
