Thank you for your comments regarding the expansion of an existing marina in Rockland Harbor as proposed by SHM Rockland, LLC. The Department is currently reviewing the application (#L-20386-4P-P-N) under Maine's Natural Resources Protection Act (NRPA). The Department accepted the application as complete for processing on July 26, 2021. The deadline for public comments on the application closed on November 4, 2021. The Department anticipates issuing a decision on the project within the next few weeks.

Your comments will be added to the file and will be considered during the review of the project.

Sincerely,
Jami

I would like to voice my concern about this proposal.
Dredging the inner harbor to make room for large yachts and passenger liners will have a negative impact on the view from the shore, and possible environment damage.
I feel this is a public area and commercial concerns should not be a priority.
