Appeal filed jointly by Carol Ervin and Bailey Bolen, Allen J. Philbrick, and William A. Weary  
Notice of Receipt of Appeal / Deadline for Responses to the Appeal

Dear Participants:

This letter acknowledges receipt of an appeal filed jointly by Carol Ervin and Bailey Bolen; Allen J. Philbrick, Trustee for James Erskine Philbrick Tree Farm Trust; and William A. Weary of Department Order L-28397-4E-A-N issued to Jeffry Spinney for a pier system and boat ramp on the Sheepscot River in Alna. The appeal was filed in a timely manner with the Board of Environmental Protection on April 7, 2020. A copy of the appeal has been forwarded to Jami MacNeil of the Department's Bureau of Land Resources for review.

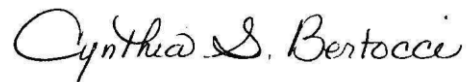

Under provisions of the Department's Chapter 2 rules, the licensee and any person who submitted written comment on the application other than the appellants may file a response to the merits of the appeal within 30 days of the Board's written acknowledgement of receipt of the appeal, in this case, by Wednesday, May 13, 2020 at 5:00 pm. Please note that a response to the appeal should not include new evidence.

After the appeal and responses thereto have been reviewed, staff will prepare a staff recommendation in the form of a proposed Board Order for the Board's consideration at a regular meeting of the Board. You will receive copies of all materials provided to Board members prior to the meeting and will have an opportunity to address the Board at the meeting.

I have attached for your information a copy of Section 24 *Appeal to the Board of Commissioner License Decisions* from the Department's Chapter 2 Rule (06-096 C.M.R. ch. 2). I have also attached a service list for this appeal proceeding. All correspondence filed with the Board on this matter should be addressed to the Board Chair and copied to all persons on the attached service list

If you have any questions, you may contact me at (207) 287-2452 or Peggy Bensinger, Assistant Attorney General, at (207) 626-8578.

Sincerely,
