Dear Participants:

This email pertains to the appeal of Department Order L-28397-4E-A-N pending before the Board of Environmental Protection. I have attached Board Chair Draper's ruling on the admissibility of the licensee's proposed supplemental evidence. The decision also rules on Ms. Johnson's request for a delay in the processing of the appeal to allow for a natural resource inventory.

Thank you for your attention to this matter.

Cynthia S. Bertocci
