Cynthia,

The town office received a copy of a letter that was apparently sent to BEP from Mark DesMeules, dated April 24. Could you please let me know whether that is in the record as a response to the appeal?

Thanks,
Kristin

Ms. Collins:

Good morning. I overlooked the fact that you were not copied on the comments received. I have attached Ms. Johnson's response to the appeal and two other responses that were sent to the Board.

Thank you, Cynthia.

I would like to note that neither Mr. Spinney nor I received the comments and request from Cathy Johnson that are mentioned in this decision.

Best regards,

Dear Participants:

This email pertains to the appeal of Department Order L-28397-4E-A-N pending before the Board of Environmental Protection. I have attached Board Chair Draper's ruling on the admissibility of the licensee's proposed supplemental evidence. The decision also rules on Ms. Johnson's request for a delay in the processing of the appeal to allow for a natural resource inventory.

Thank you for your attention to this matter.
