Subject: Appeal of Spinney Permit # L-28397-4E-A-N

All:

I have received a question regarding when the Board may consider the appeal of the permit issued to Mr. Spinney and the amount of notice persons will receive of the meeting.

I anticipate that this matter will be on the Board's agenda sometime in August. The Board generally meets on the 1st and 3rd Thursday of the month which would be August 6 and August 20th. Meetings begin at 9:00 am. The Board is currently conducting meetings via Zoom due to the public health situation. As soon as we set a date for this matter, the licensee, appellants, and respondents will be notified. You will receive a copy of the meeting agenda and all materials provided to the Board for this agenda item approximately one week prior to the meeting.
