Subject: Spinney - Appeal of NRPA permit L-28397-4E-A-N

Dear Participants:

Given no objection from the appellants, Board Chair Mark Draper has granted Mr. Spinney's "Motion to Continue". Accordingly, the Board will not consider the appeals of this permit at its meeting next week; it has been removed from the Board's meeting agenda. A letter from the Chair responding to the motion will be forwarded later today.

Thank you for your attention to this matter.
