Dear Jami:

Thank you for your time last Wednesday. I look forward to receiving via email the additional application materials you advised Mr. Spinney had filed to address some of the concerns expressed by neighbors, interested persons, and you and the DEP staff. As you noted, the deadline for action is coming up and we want to assure we have a full opportunity to react to any changes that may be proposed, particularly in light of the fact that the access road is owned by my clients and subject to a limited easement which does not include the for profit sports club as an owner of the easement.

Very truly yours,

Judy A.S. Metcalf
