Hi Mr. Philbrick,

The meeting minutes in our file were forwarded to us by the Army Corps. We were unaware this was a draft, it seems to have been an inadvertent error that it was sent along without a "draft" label. Mr. Spinney sent me a revised version this morning, which I have attached here for your review. I will remove the draft copy from our file.

Thank you,

-Jami MacNeil

Good morning Jami,

In the DEP file for the Spinney dock there was a copy of the 10/8 Alna planning board minutes. Can you please tell me how a copy of those were added to the file, and by whom? You can forward the relevant email if they were sent electronically. The minutes are in draft status, have not been approved by the planning board, and contain some inaccuracies that are being contested. It is concerning that these minutes appeared in the file without being labeled as draft, and I would like to find out how this happened.

Thank you,
Jeff
