Subject: RE: DEP/USACE permit application

Dear Mr. Baston,

Thank you for your comments, on behalf of the Alna Board of Selectmen, regarding the construction of a boat ramp and pier system in Alna as proposed by Jeffry Spinney. The Department is currently reviewing the application under Maine's Natural Resources Protection Act. The Department accepted the application for processing on September 9, 2019. The statutory deadline for the Department to reach a final decision on the application is January 7, 2020; however, the goal date for a decision is November 15, 2019. Written comments will be accepted until a decision is issued.

The Department agrees that Mr. Spinney's home is on Reed Road, not Angier's Road, and that Mr. Spinney has the right to access his property over Reed Road for the proposed project under review. Your comments will be added to the file and your concerns will be considered during the review of the project. The Department's record, which includes the application of specific interest to you, is available to be viewed at any time. Feel free to contact the Department's File Room at (207) 287-7843 to request a day and time that is convenient for you to view the record.

You may contact me with additional concerns, questions, or comments. I can be reached at (207) 446-4894 or via email at jami.macneil@maine.gov.

Sincerely,

-Jami MacNeil
