Subject: [Non-DoD Source] Sheepscot river trailer access

To whom it may concern,

I am a resident of Alna (On Bailey Rd.) and am an avid sportsman/fisherman and i would welcome access to the Sheepscot river to launch my trailered fishing boat in the river above the waterfalls.

I have an 10' boat with a 4hp motor and have always wanted to fish there.

I looked over the letters trying to say that Jeff and his friends can hand carry. I am not able to hand carry my boat and motor by hand as i am a 54 year old man with limited disabilities and vehicle access would be so much more convenient for somebody like me. This limitation suggested just seems to be a way to exclude people and thats not fair.

respectfully,

Todd Clark
