Subject: Spinney Boat Landing Alna ME

Good Afternoon,

I am writing in support of Jeff Spinney's proposed boat landing on the Sheepscot River in Alna.

I understand a lot of negative and untruths have been spread of this proposal by neighbors and newly arrived residents in and around Alna.

Having grown up in Alna and having spent many enjoyable times on the Sheepscot River, boat traffic is an important part of any rivers ability to provide recreational use to those who wish to partake. I have seen swimmers, motorboats and kayakers share this river both North and South of the Sheepscot Bridge. I have participated in all three of these activities and hope to enjoy them all again. To deny access to a waterway to only the privileged few is unfair and unjust.

This part of the river is wide and the proposal would not restrict others in their enjoyment of the rivers may uses.

I am in support of Mr. Spinney's plans and I hope the vocal resistance does not prevail.
