

## SECTION 24 SUNLIGHT

The Project, including the construction and installation of Solar Arrays, the Collector, Collector Substation, Maintenance Building, Gen-Tie, and Interconnection Substations will not block access to direct sunlight for structures utilizing solar energy through active or passive systems. The Project will not have an unreasonable effect (or any effect) on existing access to direct sunlight as identified in the No Adverse Environmental Effect Standard of the Site Location Law 06-096 CMR 375.13 (Access to Direct Sunlight).
