Said strip of land is more particularly bounded and described as follows: Southwesterly by land of said Boudin; southeasterly by said 200-foot strip of land; northeasterly by other land of said Boudin; and northwesterly by a line parallel with and 100 feet distant northwesterly measured at right angles from the northwesterly boundary line of said 200-foot strip of land of the Grantee.

In consideration of the right to use said premises as herein reserved, the Grantors, their heirs and assigns, do hereby release the Grantee, its successors and assigns, from any and all claims and demands of every kind and nature, which the Grantors, their heirs and assigns, now have or may have in the future against the Grantee, its successors and assigns, arising out of or in connection with the use of the premises hereby conveyed as above set forth.

Also excepting and reserving to the Grantors herein, their heirs and assigns, the right to cross the above-described strip of land on foot and with vehicles at such times and such places as will not in any way interfere with any use that the Grantee, its successors and assigns, may hereafter make of said strip in connection with carrying on its business as a public utility. In addition, the place or places of such crossing shall be satisfactory to the Grantee, and any use of said strip shall be in compliance with the provisions of the National Electrical Safety Code.
