in consideration of one dollar and other valuable consideration paid by CENTRAL MAINE POWER COMPANY, a corporation duly organized and existing under and by virtue of the laws of the State of Maine and having an office and place of business at Augusta, County of Kennebec, said State of Maine, the receipt whereof is hereby acknowledged, do hereby give, grant, bargain, sell and convey unto the said Central Maine Power Company, its successors and assigns, forever, certain lot(s) or parcel(s) of land in the town ~~(city)~~ of Wiscasset, County of Lincoln, State of Maine, bounded and described as follows:

Being a strip of land 100 feet in width located northwesterly of and contiguous with a 200-foot strip of land owned by the Grantee herein and maintained as a right of way for its transmission line presently designated as Section #68, and extending from land now or formerly of William W. Said strip of land is more particularly bounded and described as follows: On the southwest by land now or formerly of said William W. Barnes; on the southeast by said 200-foot strip of land of the Grantee; on the northeast by the center of said State Highway Route #27, so called, as now traveled, and land of said Boudin; and on the northwest by a line parallel with and 100 feet distant northwesterly measured at right angles from the northwesterly boundary line of said 200-foot strip of land of the Grantee.

Excepting from said 100-foot strip of land two separate parcels of land now or formerly owned by William E. Smith and Paul K. Gardner, et al, as the same lie within the limits of said 100-foot strip of land.

The above-described 100-foot strip of land being a portion of the premises reserved by the Grantors herein in their deed to William W. Barnes dated May 22, 1967 and recorded at the Lincoln County Registry of Deeds in Book 631, Page 198.

There is reserved to the Grantors, their heirs and assigns, the right to use, at their sole risk and expense, the premises hereby conveyed for agricultural purposes only; provided always, that this reservation is made on the express condition that no building or other structure will be erected, maintained or permitted to be erected or maintained by the Grantors, their heirs and assigns, on the premises hereby conveyed and that the use so reserved shall at all times be expressly subject to the prior right of the Grantee, its successors and assigns, to make such use of said premises as it or they may desire at any and all times, including the right to clear and keep clear said premises of all trees, timber and bushes growing thereon by such means as the Grantee, its successors and assigns, may select, without liability on the part of the Grantee, its successors and assigns, to the Grantors, their heirs and assigns.

In consideration of the right to use said premises as herein reserved, the Grantors, their heirs and assigns, do hereby release the Grantee, its successors and assigns, from any and all claims and demands of every kind and nature which the Grantors, their heirs and assigns, now have or may have in the future against the Grantee, its successors and assigns, arising out of or in connection with the use of the premises hereby conveyed as above set forth.

Also excepting and reserving to the Grantors herein, their heirs and assigns, the right to cross the above-described strip on foot and with vehicles at such times and such places as will not in any way interfere with any use that the Grantee, its successors and assigns, may hereafter make of said strip in connection with carrying on its business as a public utility. In addition, the place or places of such crossing shall be satisfactory to the Grantee, and any use of said strip shall be in compliance with the provisions of the National Electrical Safety Code.
