### **Sunlight**

## Section 24. Sunlight

### 24.1 State Standards

Under the State's Site Law, applicants must:

*Provide a statement concerning whether or not any structures will block access to direct sunlight for structures utilizing solar energy through active or passive systems*

### 24.2 Sunlight Assessment

The Project will not block access to direct sunlight for structures utilizing solar energy through active or passive systems. The Project will not have an unreasonable effect on existing access to direct sunlight.

For additional information on the Project's impact on sunlight, see Section 26: Shadow Flicker.
