## Section 31. LUPC Certification

### 31.1 State Standards

For a project in an unorganized territory of the State, the State's Land Use Planning Commission ("LUPC") must certify that a proposed development is an allowed use.

### 31.2 Narrative

The Project is entirely within the State's Expedited Permitting Area and within organized towns, the Town of Rumford and the Town of Roxbury.

A certificate from LUPC is not required.
