As a delivery driver that drives more than 200 miles a day I oppose the banning of gas vehicles in Maine. I wont make it home in an electric delivery truck that goes 170 miles on 1 charge. Our electric grid is not capable of handling all electric vehicles. Our senior citizens and working class can not aford new cars or upgraded electric plugs in homes. Working families, veterans and seniors can not aford the electric bills now. STOP THE MADNESS!
