Subject: Opposition to EV mandates for Maine

EXTERNAL: This email originated from outside of the State of Maine Mail System. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Rural Maine does not need EV mandates. Many can not afford EVs or the infrastructure to charge them required. Insurance issues with fires and charging are also a concern. This would be an overreach of the government into the choices that citizens make.

Leslie S. Schneider, Sedgwick, Maine
