**Subject:** The joke of EVs!! I can't go to Auburn shopping 30 miles away in January in an EV!! That's 60 miles round trip in the winter, when it's brand new!! But I can take a five gallon can of gas, and drive an extra 75 miles if I run out of gas!!!

Even AAA AGREES WITH ME!! THIS IS JUST PLAIN STUPID!!! Would you want YOUR family stranded 10 miles from anything in one of these things at Night in January, with no heat, and not even enough battey for flashers?? This is really stupid!!! They could end up plastered all over the front of an 18 wheeler!!! Frozen to death!! Adults are SUPPOSED to be able to consider the consequences of their actions, and avoid the bad results!!! How old are you people anyway???? Don't like the weathah in Maine? Give it a few minutes, it'll change, ayah!! How dumb ah yah, anyway?? Not even any street lights!!
