Subject: Advanced Clean Cars II (ACC II) and Advanced Clean Trucks (ACT) rules.

EXTERNAL: This email originated from outside of the State of Maine Mail System. Do not click links or open attachments unless you recognize the sender and know the content is safe.

I support Department of Environmental Protection's plan to swiftly adopt stronger standards for clean cars and trucks. If adopted, these new rules would give consumers in Maine more opportunities to buy zero-emission vehicles and slash toxic tailpipe pollution that is harming human health and making climate change worse.

WE MUST ACT NOW

Cheers...
Ann Tracy
