

Medical Supplies and Durable Medical Equipment Fee Schedule

Effective September 1, 2010 (updated January 1, 2015)

On the MaineCare Services Health PAS Portal, the global rate and the NU Modifier rate should always be the same. The NU Modifier, on our Rate Setting Fee Schedule, is used when other modifiers are present for the same code. If no other modifiers, than NU is not used.

Rental rates are set at 1/12th of the purchase price (NU) rate.

The following codes are priced by Medicare
