Bnft Features

Create/change PIN. Anytime, any number of times. You do not need to know the current PIN to reset the PIN.

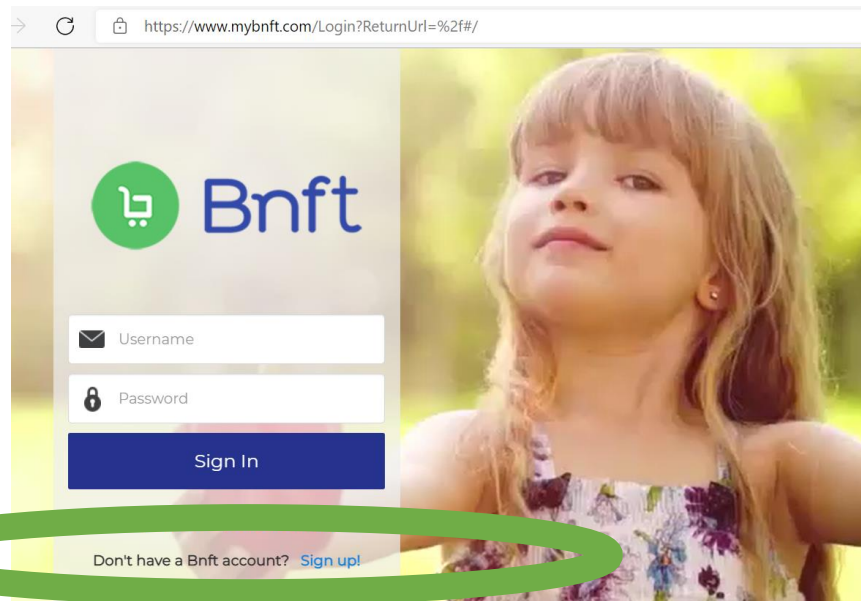

View issued and remaining food and CVB benefit amounts and quantities

View prior food and CVB redemption transactions at WIC authorized Farmers and Grocers

Purchase CVB fruits and Vegetables at a WIC approved Farmer!

Create a Bnft Account

To create an account, you will need to log in to the Solutran Bnft Application and select “Sign up”.

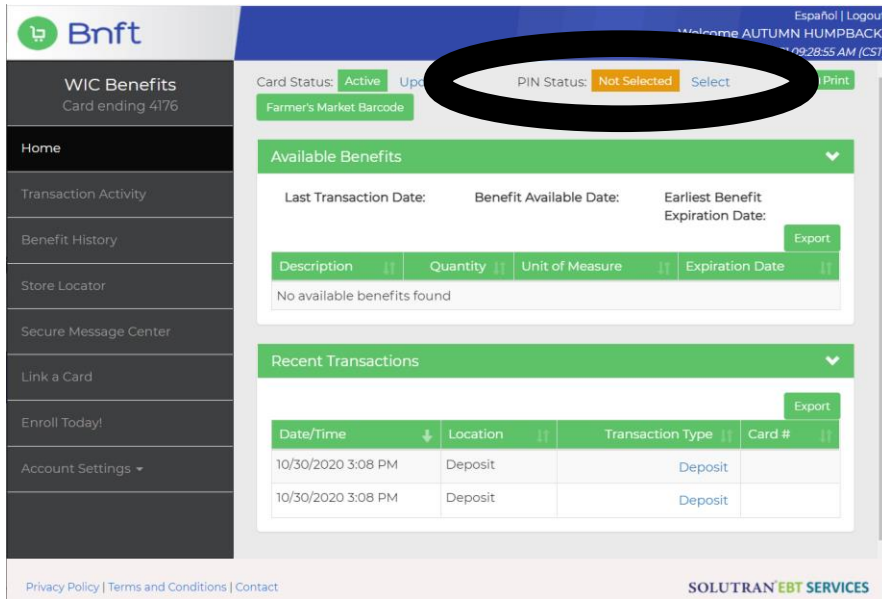

When the screen changes enter the following pieces of information:

- eWIC EBT card number
- Birthdate
- Mailing Address Zip Code
- Email address – this will become your Bnft username

Home Screen Create/Change PIN

Log in for the first time and set the PIN Number! This is the pin number that will be used each time in the grocery store at checkout.

To Pin the card, place the cursor on the text at the top of the screen “Select”

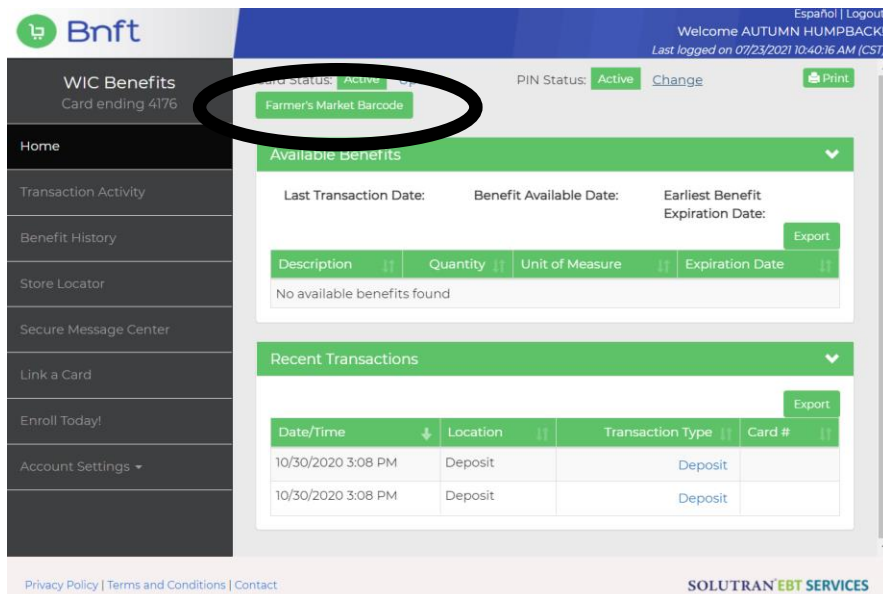

This will be the PIN number that will be entered in grocery stores at the PIN Pad/point of sale system to buy WIC approved foods using the eWIC Card.

Select PIN screen displays.

Enter a 4 digit PIN number. Enter the same 4 digit PIN in the Confirm PIN field and select the “Select PIN” button. The PIN entered and confirmed will save and the system will show a screen that shows the PIN can be used in stores right away.

The transaction screen will update and indicate that a PIN has been selected.

Select close and the main screen will update and show that the PIN is active. The PIN can be changed any time and as many times as you want.

Each section displayed can be expanded to view more detail by selecting the down arrow. Additional details are available in the sidebar navigation.

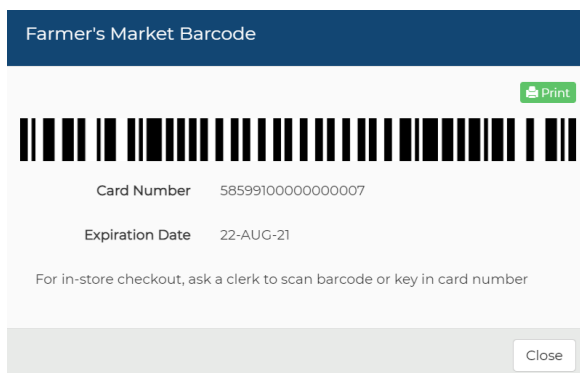

CVB Purchase

To complete a CVB purchase at a WIC Authorized Farmer, select “Farmer Market Barcode” button.

When using the mobile device, complete the step above after logging in and show the barcode to the WIC Farmer. If there are available CVB Benefits to use, the transaction will complete.

If you do not have a mobile device, use the Bnft website on your computer and follow the same steps. The barcode must be printed and brought to the farmer. Be sure to use this barcode before the expiration date.

To print the barcode, select “Print”.

A ‘print preview’ may be generated to show you what the printed page will look like. Select print and bring this barcode to the farmer to purchase fresh fruits and veggies.

This barcode is valid at farmers only. Do not attempt purchases in grocery stores.

Transaction Activity

Store and Farmer purchase transactions will be displayed on this screen.

Store Locator

Select the mileage range and enter a zip code to find stores.

The screenshot shows a web interface for finding stores. At the top, there is a search form with a dropdown menu set to "50 miles" and a text input field containing "04333". A green "Search" button is located below the form. To the left of the map, a list of stores is displayed with their names, addresses, and distances from the search location. The map itself shows a street grid with several store locations marked with blue location pins. The store names on the map include "Sullivan Tire & Auto Service", "Al's Certified Auto Repair", "Quirk Aftermarket Parts", and "Quirk Ford of Augusta". The map also shows "State St" and "Route 201". At the bottom of the interface, there is a "Contact" link and the "SOLUTRAN EBT SERVICES" logo.

Store Name	Address	City, State	Distance
Ana's ABC Mart	123 Main Street	Agusta, ME	0.64 miles
SHAWS Corporate Par	2990 Hope Street	AUGUSTA, ME	2.29 miles
SHAWS 2552	4584 Beverly Road	AUGUSTA, ME	4.25 miles
Hannaford #8220	2952 Doone Court	GARDINER, ME	6.82 miles

Secure Message

This screen is used to send or display messages to/from SoluTran customer support about your account. Select "Compose..." to create a new message. The lower portion of the screen displays a history of messages. If there aren't any, this is what the screen looks like by default.

The screenshot shows the "Secure Message Center" interface. At the top, there is a heading "Secure Message Center" and a paragraph explaining that it is a communication tool between users and customer service. Below this, there is a green "Compose a New Message" button. Underneath the button is a table with columns for "Date/Time", "Subject", and "Status". The table is currently empty, and a message below it states "You currently have no messages." At the bottom of the interface, there is a "Contact" link and the "SOLUTRAN EBT SERVICES" logo.

Secure Message Center

The Secure Message Center is a communication tool between users and customer service. All users may use the Secure Message Center to inquire about their accounts, submit general questions or request information.
